

Pentland Plants Current Availability

Please note: We grow our plants to order therefore there may still be time to grow to order if the plants you require are not on this list.

We cannot guarantee plants ordered from the availability list. These orders will be picked at the end of the delivery week shown for dispatch the following week if available. Please take this into consideration when placing a late order. A late order is any plants not grown to order for you and marked as subject to availability on your acknowledgement. Labels are not available for seed raised products and all non-catalogue items.

For plants which are not grown to order for you, please email your order to sales@pentlandplants.co.uk along with your address and contact information.

Please contact our sales office on 0131 440 0895 (option 2) or your area sales representative if you require any further information.
